

# Questions To Ask Your Auto Insurance Agent

To find the best coverage and premium options, ask the following questions to your auto insurance agent.

1

## **What does my insurance cover?**

The agent must explain all the terms, conditions and the extent of policy coverage.

2

## **How much coverage will the insurance provide?**

Know how much your insurance agency will pay in case of an accident caused by your vehicle.

3

## **Am I eligible to additional discounts?**

Be aware about the ways to lower your premiums while getting same benefits and coverage.

4

## **What are the payment options?**

Ensure whether you will pay the premium on monthly or yearly basis.

5

## **Can my family members use the vehicle?**

Ask if the policy is applicable only for you, or it will protect your family members as well.
